National Journal

National Journal is the best source for keeping up with what's going down in politics and policy. In print and on the web, *National Journal* is the center of gravity—tracking political and policy trends before they happen, as they happen. Each issue contains feature articles, insightful commentary and nonpartisan analysis backed by a constant stream of information on our exclusive website. Polls. Ads. News summaries. Congressional wranglings. Campaign handicaps. With *National Journal*, you'll always get the full weight of what's going on. Subscribe today by calling 800-424-2921, or visit our website at nationaljournal.com.

How people in the **KNOW** know it.
